### LAYOUT OPTIONS

### BASE COLOR OPTIONS

### BACKGROUND OPTIONS (PANTOGRAPH)

### ADD A CUSTOM LOGO OR VOID MESSAGE

Customize company checks with a logo, at no cost. Just submit your logo file along with this order form. Acceptable file formats include EPS, TIF, JPG, GIF and PDF. Logos will be printed as black and white.

You may also add a VOID after \_\_\_ days message on your checks. Choose from 30, 90, 120, 180, or 365 days.

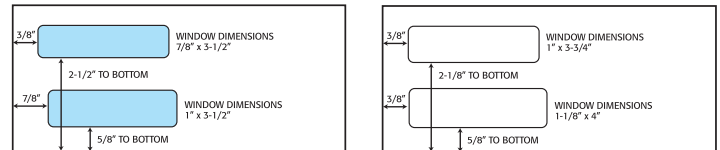

### CHECK PAPER SECURITY

#### Standard Security Features

All checks are MICR Bond and include the following security features at no additional cost:

1. VOID PANTOGRAPH - The word VOID images when copied or scanned and is positioned per check 21 regulations.
2. MICROPRINT SIGNATURE LINE - Type is readable under magnification - unreadable when copied or scanned.
3. PADLOCK ICON - Identifies the multiple security features
4. CHECK WARNING BORDERS - Indicates that specific security features are protecting the check.
5. SECURITY BACK PRINTING - Original Document wording disappears when copied or scanned.
6. THERMOCHROMIC PADLOCK ICON - Security ink that fades when rubbed or exposed to heat.
7. COIN REACTIVE INK - Rub with a coin and the word VALID appears.
8. GHOST PADLOCK WATERMARK BACKER - Hold at an angle to view artificial watermark padlock icons.
