

Value. Quality. Service.

TitleExpress[®] is right-sized for your business, developed by title industry experts for ultimate flexibility and configured for your workflow and integration needs. We deliver the functionality you need on the best platform for you.

It's All About Choice

When you choose settlement software, you make an investment in your business. TitleExpress is committed to maximizing the value of your investment with the features and support you need, backed by a Fortune 500 company with 130 years of outstanding performance.

- Unlimited closings included with annual investment
- Secure, real-time order access for your customers with the ability to share documents with iOrderExpress[™]
- Customizable forms that can be tailored to your specifications
- Multiple underwriter and rate schedule support
- Regular security and compliance updates
- Escrow accounting, reconciliation, and 1099-S reporting
- Comprehensive RealExpress[™] integration platform for one-time data entry
- Built-in calendar and events management
- Document preparation and management

Cloud Hosting – The Freedom to Grow

IT infrastructure and server-related expenses put an extra burden on small business. Our TitleExpress Hosted Solution enables you to grow without the costly commitment, while offering the same great features and integrations as our desktop software.

- Anytime, anywhere data access with an internet connection
- Antivirus and malware protection and comprehensive whitelisting procedures
- Multi-factor authentication and industry-leading firewalls
- Built-in protection and disaster-recovery with file-level data restoration
- Automatic application updates performed on a regular basis
- SOC II data centers certified for system security, integrity, availability and NPI protection

We Play Well With Others

Our RealExpress™ integration platform delivers time-saving solutions, with additions and improvements included with every release.

FEATURED:

Safe Escrow® – We’re tackling wire fraud head-on with this one-of-a-kind service that eliminates the risk and liability of managing your own escrow accounts.

GreenFolders® – Fully customizable to accommodate your unique workflow, GreenFolders empowers title and settlement agents, escrow firms and law practices to overcome the limitations and hassle of working with paper.

FedEx® and UPS® – Create your shipping labels directly from your TitleExpress order with pre-filled names and addresses.

Underwriters – Our underwriter integrations provide a multitude of services, including SDN searches, search and commitments, CPLs and eJackets, rates and fees calculations, online policy remittance and policy uploads depending on the underwriter.
